

Critical Incident and Accident Reporting Form

About this form

This form is to be utilised for reporting any critical incident and accident happening in AuSC workplace that could have caused serious injuries to a person or damage to AuSC property.

The National Codes 2018 Standard 6 and The SRTO 2015 Clause 8.5 requires an RTO must have a documented critical incident procedure that cover the action to be taken in the event of a critical incident, required follow-up to the incident, and records of the incident and action taken.

This form can also be used as safety documents, outlining potential safety hazards around the workplace. Critical Incident and Accident reporting from should be completed at the time of an incident by either an authorized AuSC employee or another member of the College.

Please refer to Critical Incident policy and procedure available on our website www.ausc.edu.au
